## ASTOR BALLROOM AND FOYER

The Astor Ballroom is elegantly designed for an unforgettable event. The distinguished space allows natural light to flow through our airy, ceiling-height windows that frame the breathtaking view of Southern California. Named after the Astor family (the original owners of the first Waldorf Astoria Hotel in New York City), the 2,945 square-foot ballroom boasts gold-trim wall décor that compliments three multifaceted glass-beaded chandeliers and can be divided into three individual salons allowing accommodation for large and small events. The spacious foyer serves as the perfect pre-function space for cocktails and guest transition, allowing every event to envelop invitees in luxury and sophistication.

Event catering is curated by award-winning Chef Jean-Georges Vongerichten. Waldorf Astoria Beverly Hills offers culinary excellence with an innovative menu for weddings, corporate events and intimate family gatherings.
